

# TELEPHONE REASSURANCE

The Fond du Lac Senior Center has a Telephone Reassurance Program for homebound senior citizens or those with limited contact with family and friends. Monday through Friday, a call is placed to individuals to check in and say *"Hello."* The call is usually brief, but sometimes the Telephone Reassurance Caller will take time to chat with the senior about the weather, upcoming holidays, or what's new. This can be a long term service or short term if your family or caregivers go out of town for a short time.

This service is not limited to city of Fond du Lac residents; we encourage all locations throughout Fond du Lac County. If you or someone you know would be interested in receiving a phone call from the Fond du Lac Senior Center, please contact the Outreach Coordinator at 920-322-3630.

The Telephone Reassurance Program is sponsored by the Outreach Program at the Fond du Lac Senior Center – a FDL AREA UNITED WAY partner.
